Works Cited and In Text Citations

In this exercise, you will be asked to properly cite several different works. First, you must ID what type of citation is required, and then you must create a proper works cited based off of the correct information. Please try to format the works cited in proper MLA formatting. When you finish this, show how you would cite a quote or a paraphrase within a paper.

4.) Personal interview with Barack Obama on February 31 2014.
